

Dear Partners, Friends, and Colleagues!

It is our pleasure to inform you that the 9th Junior Mathematical Congress will be organized in Miskolc, Hungary between 8-15 August 2010. Those interested will find more details on the web page:

<http://www.uni-miskolc.hu/jmc-9/>

Please find attached the 2nd call for participation as well, (deadlines are extended).

I would like to ask your help in circulating this call to people might be interested in participation on your mailing lists! Thank you for your assistance!

Sincerely yours
Peter Kortesi

PS: Apologies for eventual multiple postings or other errors, you will get this message because you have sent or received e-mail messages from Peter Kortesi and his friends, partners.
